SOFTBALL STATE TOURNAMENT INTRODUCTION FROM DISTRICT 5

First, congratulations for winning your district/section to get into the state tournament. We have worked very hard to make this experience a memorable and enjoyable event. I have listed a few items/rules that need to be followed:

1. Coin toss will determine home and visitor team for each game.
2. Teams do not get a choice of dugouts. You will take the dugout according to the corresponding home and visitor signs on each field determined by the coin toss.
3. Manager's will need to turn in their paperwork (proofs of eligibility and affidavit) at the manager's meeting and it will be returned to you either at the end of the tournament or when your team is eliminated. Please make sure to go to the scores booth and sign the affidavit after each game.
4. Managers/coaches/players will not be allowed out of the dugout without getting umpire permission. Managers will ask for time out before coming on the field during the game. This is your warning! If a manager/coach/player needs to leave the dugout, please do so between innings and ask permission from the umpire. Managers/Coaches caught leaving the dugout to go smoke will be ejected from the game.
5. In a perfect world everyone would agree on every call made by the umpires, but we all know this is not a perfect world. Please do not argue balls and strikes, fairs and fouls, outs and safes. These are umpire judgement calls. Managers are responsible for their fans.
6. Managers/Coaches/Players are expected to always conduct themselves in a professional manner. Manager/Coaches must be in proper attire. No flipflops!
7. Please be at the game site and ready to play 30 minutes prior to your start time. Some games maybe shorter than others. If we can start early, we will.
8. Team coolers are allowed. No outside coolers/food is allowed for spectators.
9. Little League International rules will be followed at all times.
10. 30 minutes before your game time the visiting team will take the field for 10 minutes of infield practice. At 20 minutes before game time, the home team will take the field for 10 minutes of infield practice. At ten minutes before game time, the PA announcer will introduce players and coaches for the game. Players will assemble on their respective base line as they are announced and will remain on the lines for the Little League Pledge and/or the National Anthem. Managers and coaches will then meet with the umpires at home plate for the pre-game conference after which we will "PLAY BALL".
11. Please if you have any issues do not hesitate to contact tournament personnel for assistance.
