

THE 2023 8-10 BASEBALL INDIANA STATE TOURNAMENT

**HOSTED BY INDIANA DISTRICT 8 AND
BROWNSBURG LITTLE LEAGUE**

Welcome!

Congratulations on qualifying for the Indiana 8-10 Baseball State Finals! Indiana District 8 is very proud to host this state final tournament.

Please send a copy of your roster to David Nicoson (David.J.Nicoson@gmail.com) with each player's jersey number, name, and a phonetic spelling where helpful. Also, provide the names of the manager and coaches and the district you are representing.

Please send at least one manager or coach representative to the meeting on Wednesday evening. At this meeting, you will need to present your team's affidavit, including residency or school attendance documentation, the map indicating the in-boundary address qualifying each player for eligibility. Birth certificates for players verified by your district administrator are not required. If you face any obstacles to attendance, please contact me by July 21.

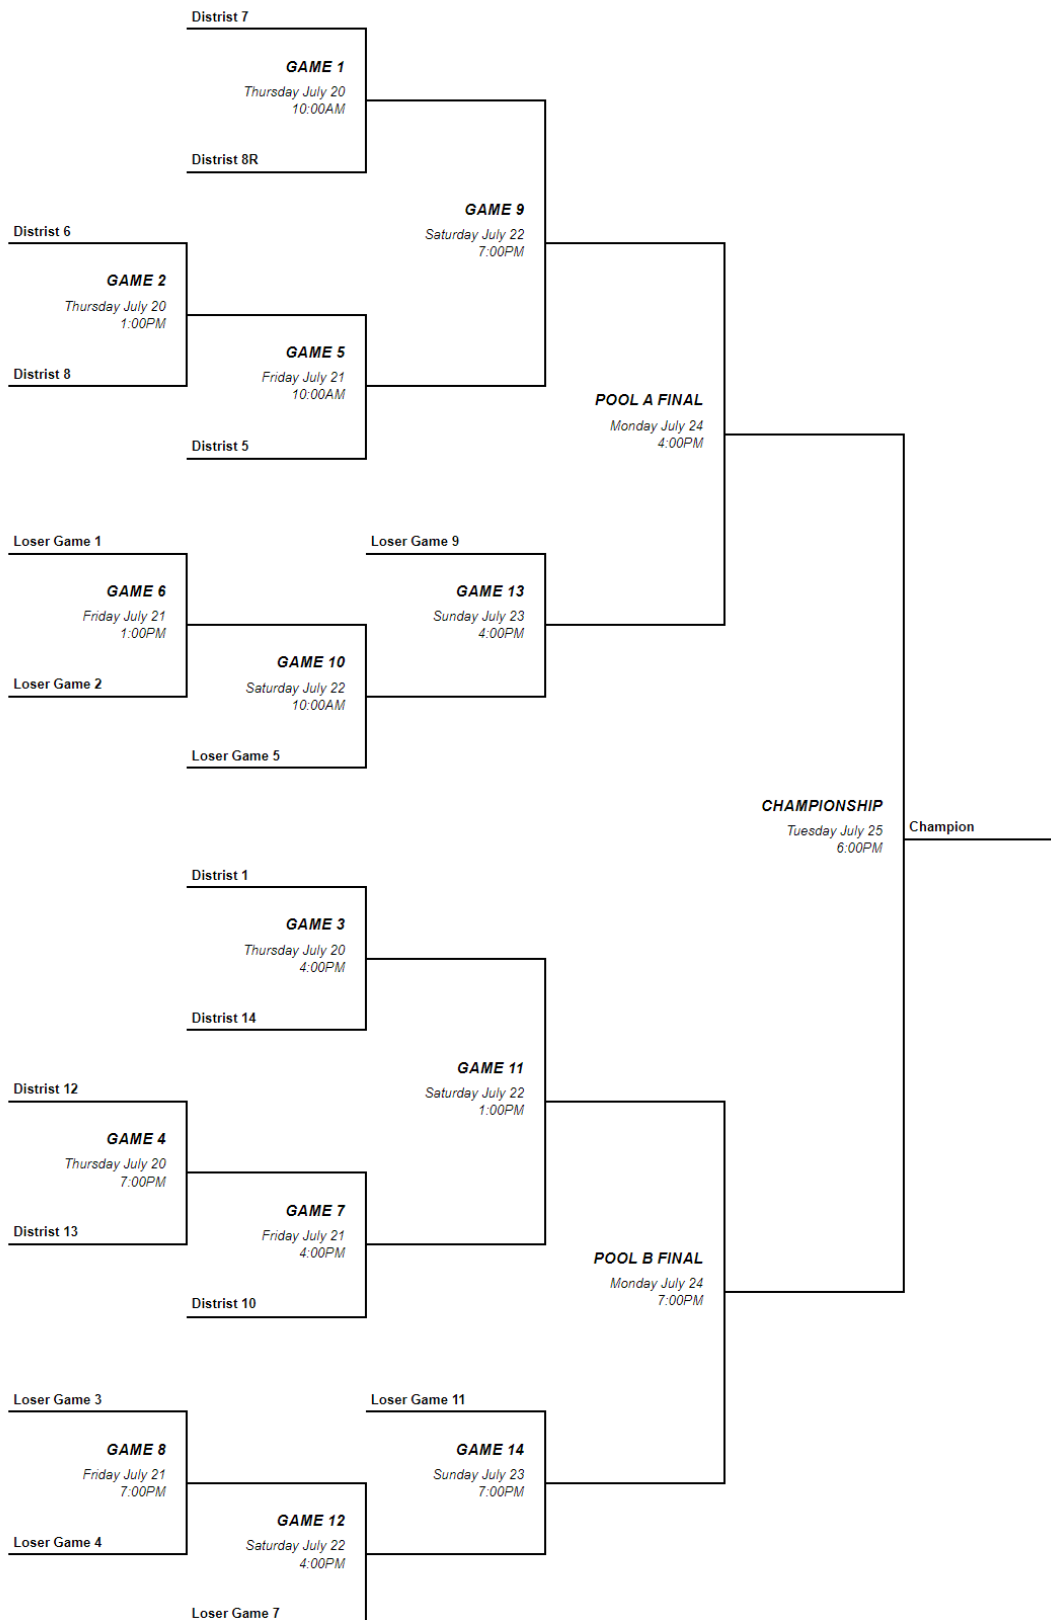

Alcohol and tobacco are not allowed at tournament events. Spectators publically expressing disdain for players, managers, coaches, umpires, or other tournament staff will be removed.

I am looking forward to an exciting tournament. Thank you for participating.

David Nicoson
District Administrator, Indiana District 8
